DISCUSSION

Petitioner respectfully submits that the public interest would be served by allocating Channel 263C3 to Estelline, Texas, as that community's first local broadcast transmission service. Estelline is an incorporated city with a population of I93 people as of January 1, 1998 according to the Texas State Data Center. Estelline has its own mayor, Bob Willaby, its own post office, its own city hall and a number otlocal churches. The proposed channel 263C3 to Estelline will provide additional diversity and an outlet for local self-expression to Estelline residents and therefore is in the public interest.
